Curriculum music lessons are informed by the Model Music Curriculum (non- statutory guidance for music teaching) and provide pupils with opportunities to:

Listen to and evaluate music from diverse time periods and cultures.

Learn how to create and control sound using their voices, as well as tuned and untuned instruments.

Understand how music is communicated through various notation systems.

Improvise and compose music.

Perform musically in front of audiences of varying sizes.

An instrumental programme of learning is also delivered by an external provider and gives pupils an opportunity to learn the Ukulele for a term, allowing them to develop some technical proficiency on a single instrument.
