We take PRIDE in who we are and have children at the HEART of all we do

This Week at at Hodge Clough

Dear Families,

It has been wonderful to welcome everyone back to school this week with lots of smiles and hopes for a happy and successful term ahead!

We have also welcomed two new members of staff: I'm sure lots of you will have met our new site manager at Conduit St - Mr Ainsworth. As you know, this role has been waiting to be filled by the right person for some time, but we have finally found them and we are so happy to have him as part of the Hodge Clough Team!

Some of you will also have spoken to Mrs Murphy - our new Designated Safeguarding and Attendance Lead - who brings with her a wealth of experience and expertise. In the short time she has been with us she has already proved what a valuable addition she will be to Hodge Clough and I know the children are going to really appreciate her calm and nurturing presence.

Although I can't believe it is already summer term, I am very excited for what it has in store! With a host of school and PTA events lined up, there will be lots of opportunities for families to get involved in school life and share in all that makes Hodge Clough so special. A full set of calendar dates will be sent in a separate ParentMail.

In another ParentMail, sent earlier today, we have also shared the exciting news that Governors are exploring the possibility of our school joining a multi-academy trust. This will only strengthen our resolve to ensure our children receive the best possible education. Your views as parents are very important to us and we will carefully consider any questions you pose.

I'm looking forward to sharing another fantastic week with the children and our families - see you on Monday!

Mrs Hodgkinson

Our New School Library

Mrs Lilley and Miss Wood - our two very dedicated English Leaders - have been busy transforming the central area, at the heart of the Conduit St classrooms, into an inviting new Library space!

I went to share in Year 2's first session in there and they were loving it!

There are some brilliant plans a-foot for an enhanced Wilkes St Library, too!

Playtime Fun Times!

There's a new look to playtimes at Conduit St this week!

As shared last half term, we are looking to provide the children with a greater variety of equipment and resources that will help them make the most of their break times.

If parents have any connections with people who could help us with outdoor wooden tables and Trim Trails at both sites, we would love to hear from you!

Community News

In a Newsletter last half term, we shared a Sholver Community Centre Litter Picking event, and it was wonderful to hear that some of our pupils took up the challenge! Daniel (previous Hodge Clough student - he's now y8 at Brian Clarke), Annabel and Tia (y6) and Samuel (y2) all showed tremendous community spirit: I'm told they even uncovered some more unusual items: a skull, school tie, trampoline, paddling pool, old grill, buggy, socks and a LOT of cans, bottles and paper! They even made it into The Oldham Times - well done to you all!

<https://share.google/2qXRzpoe9Nl7hdweE>

Community News

Another great suggestion of a local event in which our children can get involved...

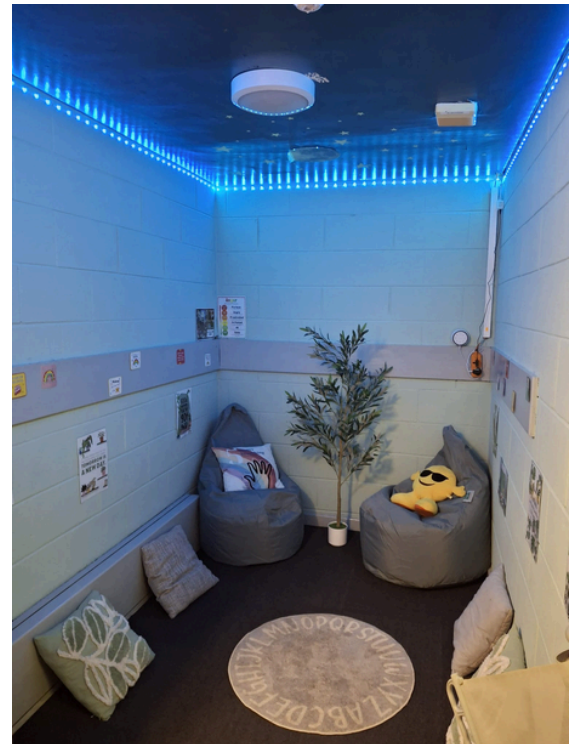

SEND and Pastoral Support at Hodge Clough

We are thrilled to announce that two of our TAs are currently undertaking ELSA training (Emotional Literacy Support Assistants). By September, these two valued TAs will be equipped to provide tailored, short-term, one-on-one or small-group support to help children manage emotional, social, and mental health challenges.

We are also very excited to be in the early stages of developing an Enhanced Provision Space at Wilkes St, intended to support children with Speech, Language and Communication needs. We will keep you informed of developments in this area.

A huge thank you to our talented Mrs Lawton who has created a Calm Room at Conduit St: this is designed to support children's wellbeing and provide a safe, happy place where children who need to can take a moment to regulate and return to learning when ready.

We take PRIDE in who we are and have children at the HEART of all we do

This Week at at Hodge Clough

Dear Families,

Here we are at the end of another week - and what a lovely sunny one it has been!

A highlight from this week has to be when Year 4AM came to ask if I could come to the Hall to have a look at the work they have been doing in DT - when I walked over, it was seemingly in darkness, except for a few spots of light? When the lights went on, I could see that they had designed and made their own torches, complete with electrical circuits that even included home-made switches. The children were so proud and have clearly enjoyed every minute of this project! Well done!

Another highlight has to be the Rock Steady Concert! Each week, our Rock Steady crew have lessons in either vocals, guitar, drums or keyboard and form bands that practice and perform together. Today was their opportunity to show their parents and children in school just how much progress they have made. I was very proud of the increased confidence, timing and skill that the bands showed and can't wait to see how another term's-worth of lessons will help their skills continue to grow.

In other proud moments, I can't believe how many Year 6s keep turning up in my office! I love it when children are so impressed with themselves and their efforts that they just have to come and show me! My Year 6 visitors have been excited to show me just how far they have come while practising for their upcoming SATs tests and I can see just how hard they, and their teachers, have been working to make these big strides of progress - keep it up Year 6, there's not long to go!

I also loved seeing how much Year 1s have been learning about schools in the past - the children were all very keen to tell me about things we have now that would not have been around 100 years ago!

There'll be more proud moments for me this weekend when I take my youngest daughter to look around the university for which she has an offer and I'll also be watching my nephew in the musical, We Will Rock You - hopefully with some sunny dog walks in between!

I hope you all enjoy the sunshine too, and we'll see you all back in school on Monday!

Mrs Hodgkinson

Our Rock Steady Crew!

A message from our Eco Council

Saving our pollinators one flower at a time!

Good news, everybody, Mrs Hodkinson has agreed to help all our lovely insects this year! She has very kindly said that the big grass pitch will not be mowed until the end of June so that our extremely important pollinators have access to flowers at the start of the season .

The ECO team would also like to spread indigenous wild flower seeds on both sides of the pitch to continue providing for these fantastic creatures and encourage them to visit our school - the Team would like to reach out for help with this: if you have seeds, or money you would be able to donate to help us with our mission, they would be greatly appreciated. We will be given a small budget to buy seeds and will be asking for donations from local garden centres .

The school will also be using this time to try and get the grass pitch in a slightly better condition, so we are also on the look out for any top soil and grass seed to help it become a lovely green place once again . Thank you for your continued support of our school and the ECO Team!

Calendar Dates

Date	Event	Notes
16.4.26	National Offer Day - Reception	The local authority sends offers for on-time applications, with emails sent to online applicants usually from 9:00 am, and letters posted to others.
24.4.26	Rock Steady Concert for Parents	In the Hall at Conduit St

13.7.26	Reports Drop In for parents	Informal - no appointments will be given out in advance, but teachers will be available for an hour after school if parents want to discuss anything about their children's reports.
15.7.26	Year 6 Performance for parents - I'm an 11 Year Old - Get Me Out of Here!!	Performances at 1.45 – 2.45 and and 5.30 – 6.30

Date	Event	Notes
16.7.26	Summer Fun Day	In school activities
17.7.26	Y6 Leavers Assembly for parents and Guard of Honour!	Assembly - 9.00 – 10.30am
END OF YEAR – School closes to pupils on Friday 17th July		

Year 1 End of Year Activity - still TBC

PTFA events - still TBC

Attendance Counts!

Hodge Clough has high expectations for all pupils' attendance and in line with National Guidelines, our expectation is that all children aim for at least 96% attendance. Regular attendance is extremely important for your child's wellbeing and progress and the impact of non-attendance at school and nursery significantly increases gaps in knowledge and understanding for children. Research has shown that this has a huge impact on their attainment, achievement and future life choices.

Class	Attendance
Nursery	96.2%
Rec CP	95.2%
Rec HB	94.8%
Y1 HR	93.3%
Y1 JW	94.5%
Y2 TN	95.7%
Y2 JW	86.3%

Class	Attendance
Y3 SH	96.1%
Y3 YG	96.8%
Y4 JR	86.4%
Y4 AM	86.7%
Y5 MO	92.7%
Y5 LM	98.7%
Y6 SC	91.3%
Y6 LL	96.3%

Overall Attendance this week:
93.5%

We take PRIDE in who we are and have children at the HEART of all we do

This Week at at Hodge Clough

Dear Families,

This week there have been lots of opportunities to celebrate what makes Hodge Clough so special and also the exciting times that lie ahead as we continue to move forward with our school improvement plans:

On Thursday we welcomed new Nursery parents to an induction meeting and shared everything about our EYFS that means our children get the very best start to their education.

In another parent meeting today, we shared our vision for the development of our Enhanced Provision Space at Wilkes St. We explored how this provision will uphold one of our most powerful beliefs - Every child deserves to feel safe, happy and successful in school; at Hodge Clough, all children are entitled to an education that is responsive and supportive of their individual needs.

Also today, Year 3 and 4 had their turn with Oldham's Safeguarding Officers who came into school to deliver workshops on respectful relationships, personal boundaries, and how to stay safe.

Finally, our initial exploration of potential academisation have begun. A summary of these presentations will be given to parents in order that you are kept fully informed of developments.

As we head into the Bank Holiday, I hope everyone enjoys the long weekend - maybe the sun will shine again? We will see you all back on Tuesday!

Best wishes,

Mrs Hodkinson

Netball Tournament

On Tuesday, Mr Nokes and I were proud to take some of our Year 5 and 6s to play in a Netball Tournament at Crompton House. They played brilliantly and showed some exceptional skill, coming away with a decisive victory: the final score sheet was 16 - 0 and 13 - 0!!! Over the Summer term, they will be competing in 3 further tournaments, and with some additional training during After School Club netball, they are sure to go from strength to strength. Well done Team Hodge Clough!!

Calendar Addition for Nursery

Last week, we published our events calendar for Summer Term and there are still a few more to add in relation to Year 1 and 2 trips. An additional diary date for Nursery parents is their end of year performance to parents on the afternoon of 7th July.

Year 5 Installation Art

As I was looking around school this week, I spotted Year 5 enjoying some time outdoors. I found out that they have been exploring the exciting world of installation art which is all about transforming a space to create an experience, and the children have loved thinking beyond traditional paintings and sculptures.

They have studied a range of artists, experimented with unusual and recycled materials, and worked collaboratively to design and build their own installations. During the unit they are developing their creativity, teamwork, and critical thinking skills, carefully considering how their artwork could communicate a mood or message to an audience.

We take PRIDE in who we are and have children at the HEART of all we do

Dear Families,

I hope everyone had a great Bank Holiday, last weekend!

This week might have been a shorter one, but it has still been filled with some great times and great learning!

From Reception journeying to Liverpool for their trip, Year 2 turning into broadcasters, Year 4 amazing me with their narrative story writing and Year 5 honing their research skills on the topic of Sir David Attenborough's 100th birthday - it has been a wonderful week! You can find out more about these in the rest of our Newsletter!

Have a great weekend!

Mrs Hodgkinson

Community News

A huge well done to Pearl in Year 5 who completed the challenge of swimming the distance of the English Channel at Oldham Leisure Centre! In doing so, Pearl and her team have raised almost £2,000 for Dr Kershaw's Hospice - an incredible achievement!

David Attenborough is 100 Years old!

This week, we have been busy celebrating the life of Sir David Attenborough and the difference he has made. Sir David, a famous naturalist and broadcaster, is celebrating his 100th birthday. For over 70 years, he has created and presented programmes that help people understand animals, nature, and the planet. His work has inspired millions of people to learn more about the world and take care of it.

Just take a look at Year 2 who were inspired to record voice overs in the style of David Attenborough - if you scan the QR Code below, you can hear what they had to say! What a great experience they had!

I always love it when children come to show me their work, and Year 5 were so keen to come and show me the facts they have discovered about Sir David; they went on to tell me that they will be using these to create some Birthday Posters all about him!

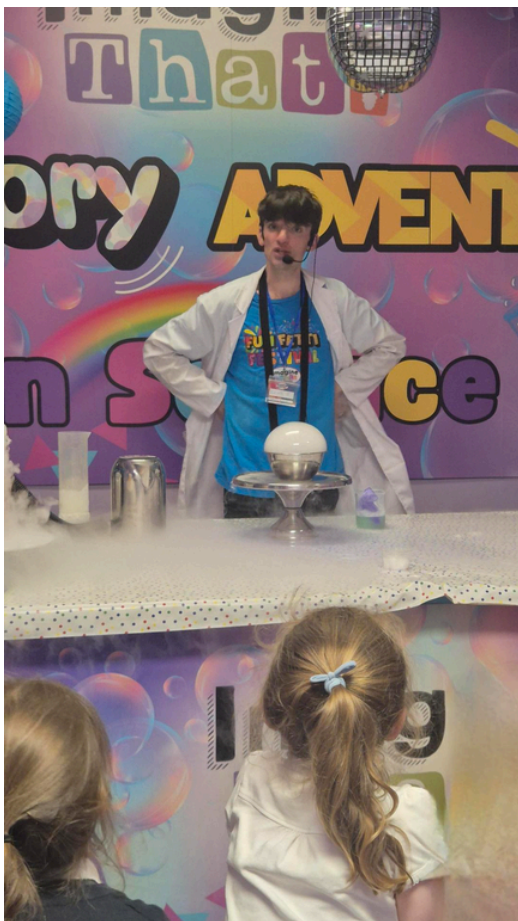

Scan the QR code to listen to the Year 2 broadcast!

Reception Trip to Imagine That!

Our two Reception classes had a brilliant day out at 'Imagine That' - a unique Science and Discovery Centre where they got to experience four zones of art, science, play and exploration. Highlights of the day had to be the Imagination Village, Artbeatz art area, the Bright Sparks Science Zone and definitely the Slime Factory! Our children were a pleasure to take out and had a thoroughly enjoyable day!

A message for Year 6

Next week, Year 6's all around the country have their end of KS2 SATs. Something that we know you have all worked incredibly hard to prepare for, and we are so proud of you, but there is something else that we must remember:

SATs cannot assess what makes every single one of you special and unique, your strong values and hidden qualities. The way you have persevered and been resilient this year, learning from your mistakes, and having the desire to improve. The way you have shown kindness and showed that you are a good friend. They do not assess the passion you have for subjects that are not tested, like Art, DT, Science and Music.

The tests don't know that you: play multiple sports, speak different languages and play an instrument. They can't test your ability to have a positive outlook and the belief that every problem you face is an opportunity to learn and grow stronger. They do not know that you are kind, thoughtful and trustworthy and that everyday you try your best.

SATs cannot test your smiles that brighten up our classrooms. They don't know about all the things you do at home, looking after siblings or cheering up a family member.

The scores you get next week will tell us something about your learning, but they will not tell us everything about you. There are many ways of being smart! We are all smart! So remember, these tests are important, but you've already proved how AWESOME you are!

END OF YEAR – School closes to pupils on Friday 17th July		

PTFA events - still TBC

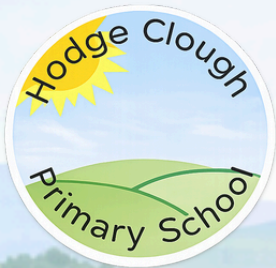

Attendance Counts!

Hodge Clough has high expectations for all pupils' attendance and in line with National Guidelines, our expectation is that all children aim for at least 96% attendance. Regular attendance is extremely important for your child's wellbeing and progress and the impact of non-attendance at school and nursery significantly increases gaps in knowledge and understanding for children. Research has shown that this has a huge impact on their attainment, achievement and future life choices.

Class	Attendance
Nursery	96.8%
Rec CP	95.5%
Rec HB	80.7%
Y1 HR	84.6%
Y1 JW	85.6%
Y2 TN	93.9%
Y2 JW	95.0%

Class	Attendance
Y3 SH	93.5%
Y3 YG	99.4%
Y4 JR	98.8%
Y4 AM	97.8%
Y5 MO	95.7%
Y5 LM	95.2%
Y6 SC	97.7%
Y6 LL	96.1%

Overall Attendance this week:
94.1%

15th May 2026

We take PRIDE in who we are and have children at the HEART of all we do

Dear Families,

It's been a whirlwind of a week, this week! With Year 6 SATs, Mental Health Awareness Week and Starbooks Author Day - it's been very busy!

As we celebrated the fantastic work of children's author Julia Donaldson, it also seemed the perfect time to bring our Year 1's up to Conduit St for the first time for some fun activities with Year 2's!

Governors have also been busy this week! I would like to say a sincere thank you to the those who were able to come and oversee SATs administration. This week has also seen them listen to a presentation from another potential Trust as we journey towards making the very important decisions around academisation. As promised, all stakeholders will be provided with a summary of what these MATs have to offer our school community.

We will see you all on Monday for the final week of this half term! Wishing everyone a wonderful and hopefully sunny weekend!

Mrs Hodgkinson

Well done, Year 6!

A huge congratulations to all our Year 6's! They have worked so hard duringb SATs week and made our whole school proud! Whatever the results, we could not be prouder of the way they have conducted themselves this week - the maturity, resilience and positive attitude they have shown throughout has been amazing!

When they 'put their pencils down' for the final time on Thursday, it was time to celebrate, with a surprise Pizza Party - we can safely say they loved it!! There's still Year 6 writing assessments to contend with, but there will be lots more to look forward to as Year 6 enjoy this last part of their primary journey together!

Starbooks Author Day

Across both sites, children immersed themselves in exciting activities linked to the books of Julia Donaldson: I spotted Year 4 bringing *The Scarecrow* to life through some fantastic role play, whilst Year 6 were thoughtfully comparing film adaptations with the original book versions and discussing which they preferred and why. Meanwhile, Year 3 explored the adventures of Superworm through a range of creative activities and not forgetting of course, the ever-popular hot chocolate and biscuits in Starbooks Cafe!

At Wilkes Street, Miss Wood led a very special assembly introducing the children to many of Julia Donaldson's best-loved stories and characters, helping to spark curiosity and excitement about reading. One of the loveliest moments of the day was seeing our Year 1 children head off on their very own mini adventure to Conduit Street, where they joined Year 2 for some wonderfully imaginative activities together — you can read more about this below!

A huge thank you to Miss Wood and Mrs Lilley for organising the event and to all staff for the creativity, enthusiasm and effort that always help to make these events so memorable!

Starbooks Author Day

Year 1's Visit to Conduit Street

A particularly special part of our Starbooks Day was seeing our Year 1 children visit the Conduit Street site for the very first time to join Year 2 in a range of brilliant Julia Donaldson themed activities.

I came to meet the children on their journey up and they were showing such excitement and enthusiasm as they explored stories together, took part in some very imaginative learning - I particularly loved how AI brought a Gruffalo Trail to life!!

As a school, we are placing a real focus on helping our Year 1 children feel confident, prepared and excited about their transition to the next stage of school life. We want moving up to Conduit Street to feel like a positive adventure and an important milestone that children can truly look forward to.

Opportunities like this help the children become familiar with the site, build relationships with staff and older pupils, and develop confidence in a warm and supportive way — all whilst sharing a love of books and storytelling together. It was wonderful to see so many smiles, excited faces and growing confidence throughout the day. Well done Year 1

EYFS Open Evening

On Tuesday, we were delighted to welcome so many families to our EYFS Open Evening. It was wonderful to see such a fantastic turnout, with visitors coming along to explore our Early Years environment, meet our dedicated staff team, and find out more about how children learn and thrive in our Nursery and Reception classes.

Families enjoyed seeing our engaging learning spaces, discovering the exciting opportunities available to our youngest learners, and hearing about the nurturing and supportive approach we provide for every child.

Thank you to everyone who attended and helped make the evening such a success. If you know anyone who is still looking for a Nursery or Reception place for September 2026, please encourage them to contact the school office for more information or to arrange a visit.

Community News

There is a free event, delivered by Relax Kids/Calm Ahead CIC in partnership with Oldham Families First, happening over May Half Term. This will be a great opportunity for families to come together, access support, and enjoy a fun afternoon.

Event details:

 Date: Thursday 28 May
Time: 1:00pm – 3:30pm

 Location: Spring Meadows Children's Centre, Leamington Street, Oldham, OL4 2RN

What to expect:

Free food and drinks for all attendees
A range of games and creative activities for all ages
Opportunities to speak to professionals and share views on local services

Families can sign up directly using the QR code on the flyer or via [this link](#):

Provided by Relax Kids/Calm Ahead CIC and the Oldham Families First Partnership

FAMILY ACTIVITY DAY!

Suitable for all ages!

Join us for a fun, free day full of range of games and creative activities!

Free Food & Drink for All Attendees!

Getting the right help at the right time!

Come along and speak to our professionals on what services you would like to see in your community for children, young people and families. We want to hear about your experiences.

Mental Health Awareness Week

Throughout this week, different classes have engaged in lots of quick burst activities encouraging them to take positive steps to support their own wellbeing and the wellbeing of others. Here's a taster of what went on:

Mindfulness and relaxation sessions
Circle time discussions talking about feelings and listening to others
Acts of kindness challenges
Outdoor activities and active play – to boost physical and mental health
Gratitude exercises – to focus on the positives in daily life
Creative activities such as drawing and journaling

A huge thank you to Mrs Walker for giving everyone the wonderful inspiration for these Mental Health Awareness activities!

Enhanced Provision Space (EPS)

We are excited to share an important new development in school as we begin our journey towards creating an Enhanced Provision Space in school and in partnership with the local authority's Quality and Effectiveness Support Team (QEST).

Over recent months, significant preparation work has already taken place, including collaboration with staff, planning around the environment and provision, and initial discussions with families. We were especially pleased to welcome parents and carers of children who may initially access the space to an introductory meeting, where we shared our vision and listened to valuable feedback and ideas.

The focus of the Enhanced Provision Space will be to support children's communication and language development through a nurturing, structured, and inclusive approach. This exciting project marks the beginning of a longer journey to further strengthen the support we offer all children in school and ensure every child is able to thrive.

We look forward to sharing further updates with our school community as the provision continues to develop.

Calendar Dates

Date	Event	Notes
