

British Values at HCP

We have British Values at HCP
Raise your hand, say them with me
Thumb up, thumb down that reminds me
That I am part of a DEMOCRACY.

We have British Values at HCP
Raise your hand, say them with me
Point your finger, no, no, see
RULE OF THE LAW obeying is key.

We have British Values at HCP
Raise your hand, say them with me
The tallest finger points out God to me
But TOLERANCE brings us harmony.

We have British Values at HCP
Raise your hand, say them with me
Tapping my ring finger reminds me to
RESPECT each other MUTUALLY.

We have British Values at HCP
Raise your hand, say them with me
The littlest finger points to me
For INDIVIDUAL LIBERTY.
